VOLUNTEER - MACBS YOUTH PROGRAM

PLEASE COMPLETE AND RETURN WITH YOUR REGISTRATION FORM

Planning has begun for this year's Youth Program. **To ensure the program is amply staffed and supported, your participation is needed.** The theme for the program is "The Messiah". Although organizing the classes and activities for the children has just started, an exciting program is anticipated. Please help to provide the young people a wonderful and informative week!

There are many areas where help is needed. Please choose where **you** can **help** by checking as many areas as applicable. You will be contacted to confirm your assignment. Class age groupings will be based on actual registration numbers received.

Thank you in advance for your willingness to share your love for the Truth with the young people! As you can see, most areas require more than one person. Your help will be greatly appreciated!
